

Key Club International Scholarship Booklet

Key Club International 2009 Scholarship Program

This booklet contains information about Key Club International (KCI) scholarships and the District Matching Scholarship Program. Students applying for the KCI scholarships must do so through the district scholarship application process or submit them directly as indicated. If the district does not have its own application form, the enclosed two-page application form may be used. Districts will then send to Key Club International, one finalist for each Key Club scholarship we offer. A Key Club committee at the International Office will determine scholarship winners.

All scholarships are provided as cash awards in the form of a check issued to the college or university and the student. This check is sent directly to the college or university for deposit into the student's account and, most likely, will require the student to endorse the check. Checks are disbursed in August from the Kiwanis International Foundation. A copy of the letter and check is sent to the recipient's home address.

Recipients will be announced at the 2009 Key Club International Convention and posted on the Key Club International Web site. All questions regarding this program should be directed to the Key Club International youth funds and scholarship specialist, 1-800-549-2647, ext. 244.

Scholarships available to Key Club members by other organizations:

- **Arizona State University [Leadership Scholarship](#) (LSP).** Recognizes outstanding high school graduating seniors who have achieved excellence in leadership. Established in 1977 to aid in the growth of student leaders on campus. Students in the program participate in CED 194, a leadership-development course; one-on-one mentoring by an ASU staff member; monthly meetings with all current ASU LSP students; social activities, such as a weekend retreat; community service; and networking with LSP alumni. Students may use the scholarship for tuition and fees, housing, and other educational expenses. The nonresident award is a \$17,500 annual scholarship, renewable for three additional years. Four out-of-state seniors, who must have been active members of Key Club or another nationally recognized leadership organization, with a 3.25 unweighted grade point average will be selected.

To apply, you must complete the application and submit it with:

- A copy of your high school transcripts with ACT/SAT scores.
- A list of high school activities (include brief description of organization, dates of participation and leadership positions held), list of community service and volunteer projects (include total hours and dates of participation).
- A list of honors, awards and special leadership programs attended (i.e. classes, workshops, conferences).

You also must answer two of the following three questions in essay format (a maximum of two pages per answer):

- 1) If you could ask any leader (living or dead) three questions, who would you ask, what would the questions be, and why?
- 2) In your opinion, who is more effective and why: one who leads by outward action or one who leads by silent example? Which type of leader are you?
- 3) If you were asked to give a speech to your peers concerning your "passion" in life, what would your speech sound like?

Two letters of recommendation (if you are a nonresident, one must be from Key Club sponsor) also are required. Submit materials by **December 5, 2008** to: Leadership Scholarship Program, Undergraduate Admissions, Attention: Kimberly Jones, Arizona State University, PO Box 870112, Tempe, Arizona 85287-0112. Kiwanis International Foundation/Key Club district matching scholarships offered to participating districts

Application deadline determined by each district.

The Kiwanis International Foundation and Key Club International have designed a scholarship program to recognize Key Club members who have excelled in leadership and have provided service to others. Financial need is not a factor in this award. Each winner will receive a one-time \$1,000 award (unless a district changes the award amount). Districts are eligible to receive up to 10 matching scholarships based on the amount of Kiwanis clubs participating in the Annual Club Gift Campaign with the Kiwanis International Foundation.

Interested students need to contact their district administrator (or representative, listed below) to determine the district's participation in the 2009 program. **Applications for this scholarship are mailed directly to the district representative, as indicated below or directed through the district. Each district determines its own deadline.**

Key Club International Board members and Key Club district governors are not eligible for the district matching scholarship program. Each district's Key Club board is to determine the procedure to select the district scholarship winner(s). The district administrator is to forward the winning recipient form and matching funds to the Kiwanis International Foundation by **May 22, 2009.**

The Kiwanis International Foundation/Key Club district matching scholarship recipients will be notified by the Kiwanis International Foundation, and their names announced at the 2009 Key Club International Convention and posted on the Key Club International Web site. All scholarships are provided as cash awards in the form of a check issued to the college or university and the student. This check is sent directly to the college or university for deposit into the student's account and most likely requires the student to endorse the check also. Checks are disbursed in August.

Who is qualified for the Kiwanis International Foundation/district matching scholarship program (these are the same qualifications for the Key Club International Scholarships)?

- Has paid dues and appears on the roster on file at Key Club International.

Cunat International Scholarship

While serving as 1992-93 governor of the Illinois-Eastern Iowa District in, Brian Cunat and his wife, Miki, established this scholarship to recognize and support Kiwanis-family members who were setting out to make a difference in people's lives as they worked their way through school.

The Cunats have been believers in setting goals, staying the course, and accomplishing goals.

Life goals should be not only self serving, but include the concept of helping others and making the world a better place for all.

While serving as 2001-02 Kiwanis International President, Brian and First Lady Miki expanded the scholarship program to include other parts of the world. Their love for children and young adults, and their beliefs that our future is in their hands, motivates them to fund these scholarships.

Together we can "build today for tomorrow's dreams."

One \$2,500 scholarship for a college-attending Key Club International member.
